

Meeting Announcement:
Trinity Adaptive Management Working Group
June 19, & 20, 2003
Weaverville, California

The Trinity Adaptive Management Working Group (TAMWG) will meet Thursday, June 19 from 9:00 AM to 4:30 PM, and Friday, June 20, 2003 from 8:00 AM to 12:30 PM at the Victorian Inn 1709 Main Street, Weaverville, CA. Primary Objectives of this meeting will include: update on bridge replacement project, flows update, and the Executive Director's Report. The meeting is open to the public.

Preliminarily scheduled for the morning session of June 19 are the approval of minutes from last meeting, an opportunity for public comment, and flow update. Afternoon session topics will include Executive Director's Report, the work plan and draft budget for FY 04, and budget subcommittee report. Items for the June 20 sessions include sediment strategy, proposed TAMWG bylaws, Humboldt County's Request to Interior Secretary regarding 50,000 acre feet and an opportunity for public comment.

The TAMWG affords stakeholders the opportunity to give policy, management, and technical input concerning Trinity River restoration efforts to the Trinity Management Council. Members for the working group represent a broad cross-section of organizations that are not otherwise represented on the decision-making Trinity Management Council. These interests include residents of the Trinity River basin, recreational and commercial fishing organizations, Trinity Lake Resort owners, white water rafters and guides, power utilities, irrigators, small businesses, and forestry associations.

A draft agenda for the meeting is available for download from the Arcata Fish and Wildlife Office website at <http://arcata.fws.gov>
